a step-by-step guide

Appeals - Step by Step

1 Knowing when you can appeal

You can only appeal a decision made by the Student Progress Panel, this is not the same as a grade awarded by your lecturer. You will be notified by email when the Student Progress Panel has met and then have 15 days to submit an appeal.

2 Having your first meeting

Get in touch with us by email: SAadvice@abertay.ac.uk

or just come in to the office, opposite the main lecture theatre.

3 Taking the appeal forward

We will explain and guide you through the process of the appeal, provide the forms and help you fill them out.

We will also attend any meetings and provide support throughout the process.

4 Submitting & awaiting reply

We will help you with submission and will explain the possible outcomes and how you can take it further if it is unsuccessful.

How we can help?

We can attend meetings with you as moral support or as a representative.

We can provide you with support and advice when writing your statement.

We can provide support in the identifying and gathering of evidence for your case.

We can explain the process to you and outline what to expect and possible outcomes

We can provide you with access to all the relevant forms and support the completion and submission
